This form allows you to select the material over which you wish to be evaluated. You must meet the following requirements:

1. You must complete 24 classes between ranks
2. You must have the minimum time requirement as specified in the associated table
3. You must complete 15 practice sessions at home (these should be roughly 15 minutes each)
4. You must be ready to show fitness improvement
5. You must complete the take-home written test
6. For 6th and 5th Gups, choose one item from each category: Hyung, Ill Soo Sik/Ho Sin Sul, Basics, Bully Defense
7. For 4th Gup, you must show proficiency in all of the material listed on this page
8. Students and Guardians (for students under 18) must sign the form indicating completion of the requirements
9. Evaluations forms are due **NO LATER** than **ONE WEEK** before testing day. Evaluation forms submitted after the deadline will be considered for the next testing rotation

The Evaluation and Testing Process:

1. Submit completed Intent to Test Form
2. A NWIMAA instructor will either evaluate your skill proficiency during class, immediately before, or immediately after class.
3. Proficiency is defined as a knowledge of material. If you must ask for help during your evaluation, you don't know your material. There might not be time to complete more than one evaluation before the test. Be prepared for evaluation when you submit your Intent to Test Form.
4. Once you pass your evaluation, you must complete the next scheduled test. Successful completion of your Evaluation does not guarantee that you will pass your test. You must perform with maximum focus and effort at your test. Successful completion of your test will result in the awarding of your belt.
5. If you do not pass your test, that's ok! All it means is you need a little more practice before you try again. Use your test as an opportunity to learn where you need more work and practice hard for your next test!
